Terms of this Contract

- 1. This puppy is sold on a limited registration. It is representative of its breed and is suitable as a companion or performance dog (agility, obedience, tracking, etc).**
- 2. This puppy is guaranteed for three years against any congenital defect that renders the puppy unsuitable as a pet. For example, any disease or defect that affects the quality of life of the puppy to the extent that euthanasia is the only recourse. In these instances, a replacement will be given as soon as one becomes available.**
- 3. The buyer agrees that this dog will not be bred and will have the puppy spayed/neutered before one year of age.**
- 4. It is recommended that the puppy be examined by a veterinarian within 48 hours of receipt. The buyer**

Sales Agreement for Pet Puppies

has two weeks to acclimate this puppy their living environment. If the acclimation does not work, the seller agrees to take the puppy back for a full refund.

5. AKC registration papers will be sent to the buyer after the above two week period.

6. At any time during the life of this puppy, the buyer can no longer keep him/her, the seller will take him back and place him/her in a new home. There are no refunds beyond the two week acclimation period.

I have read the above terms and agree to this contract.
